

Giving To SEOH Just Got Easier – Online Banking

Tired of looking for the checkbook during Mass or fumbling for the offertory envelopes? How about opening your wallet during the offertory just to discover that your child borrowed money the day before and forgot to tell you? As members of the SEOH parish we all want to support our wonderful community, so here is a tip to make it as easy as 1, 2, and 3.

1. Check out your financial institution's website. Most banks have online bill payment options.
2. Add SEOH as one of your payees. Most websites will prompt you for the name of the institution, the address of the institution and any memo you would like to add. In the memo space, put your name and the purpose of the payment, e.g., "parish support."
3. Determine the frequency of your donation (weekly, every other week, monthly, etc.). Enter the amount of your donation and feel good about supporting your church.

We are all busy with multiple commitments to various organizations. It is easy to let things fall through the cracks. Including SEOH in your online banking plans is a simple way to ensure your intended commitment is made.
